## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 9-11 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to show a reclining mechanism for a vehicle seat including a cam element mounted on the hinge pin in a space between the attachment members and being engaged with the slide pawl for maintaining the slide pawl in engagement with the ratchet portion of the attachment member when the hinge pin is retained in position under load of a torsion spring assembled thereon and for disengaging the slide pawl from the ratchet portion when the hinge pin is rotated against the load of the torsion spring; wherein a thrust member is coupled with one of the attachment members and welded to a frame structure selected from the group consisting of the frame structure of the back rest and the frame structure of the seat cushion to assemble the attachment members as a unit, in combination with other specifically claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
